Mid Cumberland Community Action Agency	MCCAA's Case Management programs	<p>The goal of Case Management services is to help clients to identify and overcome the barriers that prevent economic self-sufficiency.</p> <p>The Comprehensive Family Case Management Program (CFCMP) is designed to assist low-income households identify and overcome barriers that prevent economic self-sufficiency. In addition to Case Management Services, multiple services are offered through the CFCM Program to better meet the needs of participating households and individuals. Through the use of the IWIN service approach, the CFCM program will assist those households that are interested in making positive life changes in order to become more economically self-sufficient.</p>	Life Skills	Adults	615-742-1113	Website
Mid Cumberland Community Action Agency	Emergency Services Program	<p>The Emergency program is funded through the Community Services Block Grant (CSBG). The Emergency Program is designed to provide assistance to a household facing a crisis situation due to an unexpected occurrence that has negatively impacted the household's financial stability. Examples of such occurrences could be, but not limited to, reduction in household income, loss of employment, or an unexpected essential household expense.</p> <p>MCCAA provides assistance through a one- time payment of a past due essential utility bill or rent/ mortgage. In addition to providing the household with the monetary services, MCCAA also provides a Financial Education component with the Emergency program. Each household participating in the Emergency program must participate in a budgeting session with the Community Service Associate.</p> <p>All Emergency program participants must meet specific program guidelines in addition to CSBG income eligibility guidelines. Service is based on funding availability.</p>	Life Skills	Adults	615- 742-1113	Website
Mid Cumberland Human Resource Agency	The Community Corrections service	<p>The Community Corrections service was created to divert felony offenders from the Tennessee Prison system and to provide necessary supervision and services to the offenders with the goal of reducing the probability of continued criminal behavior while maintaining the safety of the community. Today, Community Corrections offers local courts increased options, assists victims, provides public services to local governments, and remains a cost-effective alternative to incarceration.</p>	Life Skills	Adults	615-331-6033	Website

Mid Cumberland Human Resource Agency	The Misdemeanor Management Services program (MMS)	The Misdemeanor Management Services program (MMS) offers many rehabilitation classes and connects the offenders with other resources such as drug and alcohol rehabilitation, educational training, and counseling services within their service area. MMS works diligently with many service agencies that are certified and licensed by the state of Tennessee. Persons convicted of misdemeanor offenses in General Sessions or Circuit and Criminal Courts are eligible for placement.	Life Skills	Adults	615-331-6033	Website
